DARENTS and guardians who have daughters and wards to educate are respectfully invited to consider the merits of this Institute. Pupils of all religious denominations are received. The course of study is thorough and extensive. To promote emulation, premiums, gold medals, etc., are awarded at the annual commencement. The grounds, comprising ten acres, shaded by grand forest trees, are beautifully laid out, making out-door exercise delightful. Pupils may here enjoy the refinements of a city location, and at the same time all the quiet of a rural retreat. Few families exercise the same vigilance over the health of their children as is given here.
